This workshop and tests are timed for introducing your pups or dogs to hunting and for preparing your dogs for the Hunting Working Airedale National Tests held in March. You will be able to train with the infamous Dale Burrier Fur Test Judge. Bring your puppies - it is a great site to introduce them to birds and fur. Come join us at a local restaurant for an informal dinner on Saturday night. **Please Note:** All fur tests will use Raccoon Pelts scented with Raccoon scent. Virginia state laws prohibit the use of live caged animals.
